

2023-2024 Student Non-filer Form for Dependent Student

The U.S. Department of Education and/or Vermont State University selected your application for "Verification". One of the items the central processor selected to verify on your application is filing status. The law says we have the right to ask for this information. If there are differences between your application and this statement, we will send corrections electronically to the U.S. Department of Education. If corrections are made, you will then receive an updated Student Aid Report (SAR) from the Central Processor (CPS). This may result in an adjustment to your estimated financial aid.

Financial Aid payments will not be posted to your Student Account until all verification requirements have been met and the necessary corrections have been made.

What you should do:

- 1. The instructions and certifications below apply to the student. You reported on the FAFSA that you did not file 2021 Federal income taxes. Complete this form if the student has not filed, will not file and is not required to file a 2021 income tax return with the IRS.
2. We may need information on other verifiable items. Please check your 2023-2024 Financial Aid Document Status on the Portal and submit all other requested items.
3. If you have any questions, please call our office at (802) 468-6070.
4. An incomplete form will be returned to you, which will delay your financial aid.
