

Cost of Attendance and Funding Options

International

The following costs are set by the Vermont State Colleges Board of Trustees. Use this worksheet to help you estimate your annual expenses and resources related to attending Vermont State University. Students are charged per semester once registered for classes. Typically, the Fall 23 semester bill will be due mid-August and the Spring 24 semester bill will be due early January. Students may view their bill and financial aid online through the Vermont State Colleges System Portal at portal.vsc.edu. Late charges are assessed for any outstanding balance not paid by the due date. There are additional costs associated with certain programs. Please refer to the specific Funding Options brochure for the following programs: Dental Hygiene, Early Childhood Education (online), Engineering & Technology, Nursing & Respiratory Therapy, Practical Nursing, Online, Paramedicine, and Resort & Hospitality Management.

Funding Options

Any combination of these funding options listed below can be used in addition to your other resources.

Scholarships

Scholarships are awarded based on a student's GPA. International students receive both a merit-based scholarship based on their GPA, and an international student scholarship directly meant to help international students offset the costs associated with the issuance of an I-20. PLEASE NOTE THAT SCHOLARSHIPS COUNT TOWARD YOUR FINANCIAL DEMONSTRATION. To find out exactly how much you need to demonstrate for the issuance of an I-20, subtract your awarded scholarships from your estimated cost of attendance.
