

# Program Name: Early Childhood Education Online Completion, B.S.

## **Program Description:**

Vermont State University's (VTSU) Early Childhood Education (ECE) program provides both an understanding of the discipline of education and a practical application of effective professional practices. Informed by the Vermont Core Teaching Standards, Vermont Early Learning Standards, and the National Association for the Education of Young Children, each course explores developmentally appropriate practices and techniques for infants, toddlers, and preschoolers.

## **Vermont Licensure (s):**

Graduates will earn a Bachelor of Science degree and a Recommendation for an Initial Educator License with an Endorsement in Early Childhood Education (Birth to Age 5).

Vermont is a member of NASDTEC (<https://www.nasdtec.net>).

NASDTEC maintains the NASDTEC Interstate Agreement. "The **NASDTEC Interstate Agreement** facilitates the mobility of educators among the states and other jurisdictions that are members of NASDTEC and have signed the Agreement."

All licensed educators, including all students and graduates of VTSU, should note the following statement from NASDTEC:

*"Each state is responsible for its own certification/licensure requirements, which may change without notice to NASDTEC or your university's certification officers or your state's office of certification. You must contact the office of certification in any state to which you may be relocating to get the most accurate information on certification requirements."*

NASDTEC also maintains the Interstate Teacher Mobility Compact. "The purpose of this Compact is to facilitate the mobility of Teachers across the Member States, with the goal of supporting Teachers through a new pathway to licensure. Through this Compact, the Member States seek to establish a collective regulatory framework that expedites and enhances the ability of Teachers to move across State lines." The Compact will supersede the Agreement.

To locate the most current information about the Agreement and the condition for transferring a VT Educator's License to another state or jurisdiction, examine NASDTEC's "Information for out-of-state applicants" at <https://www.nasdtec.net/page/InterstateAgreements>. The information in the table below is drawn from the NASDTEC site.

State		Meets Licensure Requirements	Does Not Meet Licensure Requirement	Link to State Licensure Board For details about transferring a VT license to another state, see the link for the destination state.
