

Appendix 5

Student's Responsibility

There are two copies of this form; return this copy to the Program Technicians. Statement of Student's Responsibility

As a student in the Veterinary Technology Program at VTSU Randolph, I am aware that there are risks involved in the practice of Veterinary Technology. These include, but may not be limited to:

- Radiation exposure
- Risk of exposure to infectious diseases
- Stressful work environment with risk of exposure to conditions and substances that may affect personal health
- Risk of exposure to conditions and substances that may affect the health of an unborn child
- Risk of possible injury while handling any animal

It is my understanding that all activities are performed under appropriate supervision, and according to applicable laws, regulations and safety standards.

I further understand it is my right and my responsibility to express any or all concerns and/or contraindications for activities in which I am involved. I will report immediately any injury I might sustain, no matter how minor it may seem.

I have received and read a copy of the Veterinary Technology Student Handbook; I acknowledge that I have read and I understand the policies included in this handbook. I agree to comply with these requirements and accept full responsibility for any violation of these policies.
