This double-sided worksheet is a simple tool to help you estimate your possible cost of attendance. Use the details on the Tuition and Fees page (<https://vermontstate.edu/admission/tuition-and-fees/>) for sections A, B, and C to estimate costs before aid. If you've been admitted with a scholarship and/or have submitted your Free Application for Federal Student Aid (FAFSA), use the details on your admission letter and Financial Aid Offer Letter for section D.
