

Appendix 5: Student's Responsibility

There are two copies of this form; please keep this copy for your records.

Statement of Student's Responsibility

As a student in the Veterinary Technology Program at VTSU-Randolph, I/we am/are aware that there are risks involved in the practice of Veterinary Technology. These include, but may not be limited to:

- Radiation exposure
- Risk of exposure to infectious diseases
- Stressful work environment with risk of exposure to conditions and substances that may affect personal health
- Risk of exposure to conditions and substances that may affect the health of an unborn child
- Risk of possible injury while handling any animal

It is my/our understanding that all activities are performed under appropriate supervision, and according to applicable laws, regulations and safety standards.

I/We further understand it is my/our right and my responsibility to express any or all concerns and/or contraindications for activities in which I/we am involved. I/We will report immediately any injury I/we might sustain, no matter how minor it may seem.

I/We have received and read a copy of the **Veterinary Technology Student Handbook**; I/We acknowledge that I/we have read and I/we understand the policies included in this handbook. I/We agree to comply with these requirements and accept full responsibility for any violation of these policies.
