

Appendix 9: Performance reporting

Please make a copy for your records.

Please sign a copy of each release and return to Program Technicians. The performance release is only required if you wish program faculty to provide references for you.

I/We hereby authorize the Program Director and /or Instructors in the Veterinary Technology Program of Vermont State University to release information concerning my/our performance while enrolled in the program. This information should only be released to prospective employers of which I/we have given the Program Director and/ or Instructors as references. This information may be given out by letter or via telephone conversation.
